Sir:

Upon receipt of the original patent document, it was noted that the name of the Assignee was incorrect. The Issue Fee Transmittal Form PTOL-85B is attached showing where the error would have occurred, namely the "C" in AtCor mistaken for the letter "G". The correct name of the Assignee is AtCor Medical Pty Ltd as shown in the attached Assignment recorded at Reel 019040, Frame 0793 on March 21, 2007.

The processing fee in accordance with 37 C.F.R. §1.17(i) in the amount of \$130.00 is also submitted herewith. Applicant requests that this petition be granted and the file forwarded to the Certificates of Correction Branch for issuance of the attached Certificate of Correction, if Request is granted.

Respectfully submitted,

ANDRUS, SCALES, STARKE & SAWALL, LLP
